Hi--I updated the staffing chart for most of the field personnel, including some of the phone contact information, etc. I didn't get a chance to contact other divisions yet to confirm personnel supporting the response in the office, will do tomorrow. If you have any names that need to be added that are missing, pls let me know!! Also, when we get this finalized, who should I send this out to? CCing Tana and Kathy so they have the info in the meantime.
